POSTKARTE.

*By Appointment.*

Brompton Oratory is a splendid example of Renaissance architecture from the designs by Mr. H. Gribble. The congregation of the Oratory was first introduced into England by the illustrious Cardinal Newman, in 1847. The procession here shown is that of the Brothers of the Little Oratory, these gentlemen being all laymen and numbering in their ranks some of the most notable and distinguished men of the day.

(FOR ADDRESS ONLY.)
